GarudaFood Group Participate in Produk Makanan dan Minuman Exhibition at Kementerian Perindustrian RI

Kementerian Perindustrian RI held a “Produk Industri Makanan dan Minuman Exhibition” followed by 50 participants from various food and beverages companies at Plaza Pameran Industri, Kementerian Perindustrian, Jakarta, start from 28th till May, 31st 2013. GarudaFood Group collaborate with SNS DKI team joining in this event by participating in exhibition booth.

“This Exhibition be expected as a vehicle to drive the businessman in food and beverages industry to introduce their product, quality, and brand images, and also receive lot of inputs or wish from their customer” said Dirjen Industri Kecil dan Menengah (IKM), Euis Saedah.

Food, beverage, and tobacco industry give lots contribution in total PDB, 6,96 percent and in total of non oil industry 33,79 percent, compared with other industry at first quarter in 2013.

Against the revenue of the non-oil sector through investment, food and beverage industries also contribute significantly.
